- Pre-cruise drinks packages cannot be terminated, refunded or transferred after the departure of the cruise.
- Onboard drinks packages are not refundable nor transferable once purchased onboard.

The value of the package is much greater than this and provides the passenger with the option of enjoying a variety of specified drinks at discounted rates for the duration of the cruise. Passengers are, therefore, encouraged to make the most of the drink packages whilst on board the value of the drinks package cannot be refunded, transferred, or exchanged, unless otherwise provided above.
- Only valid for cruises on the South African local season
- Packages are not applicable to disembarkation day, unless a valid credit card is on file and your shipboard account has not been settled.
